RE: ACADEMIC REFERENCE FOR OLUBIYI BABAJIDE DANIEL

I am writing this letter to provide an academic reference for Olubiyi Babajide Daniel, who was under my supervision during his studentship at Federal university of Technology, Minna affiliated to Federal college of Education (Technical) Akoka. I had the pleasure of serving as his lecturer.

He was an exceptional student whose passion for their academic endeavors was truly commendable. Throughout his time in the school, he consistently demonstrated a strong commitment to academic excellence, a thirst for knowledge, and an unwavering enthusiasm for his chosen field of study, Industrial technology Education.

As a lecturer of his, I had the opportunity to observe his interactions with fellow students, faculty, and staff. He was not only respected for his academic achievements but also admired for his kindness, collaborative spirit and willingness to contribute to the intellectual vibrancy of our academic environment.

I wholeheartedly recommend Him for the academic pursuits he may choose to undertake.

Thank you

Sincerely,

Ikatule, I.A
School of Technical Education (Department of Building Technology)
Lecturer II
